OVERVIEW

This one- day regional conference is designed to provide insights into global continuing education and provide interested individuals and organizations with relevant and timely information that focuses on the challenges and opportunities associated with global CE. Join us for a day of interactive learning and discussions about CE from a global health perspective.

EDUCATIONAL OBJECTIVES

- 1) Discuss the impact of the refugee crisis on global health and opportunities for CE programming
- 2) Describe the essential components for planning effective Interprofessional CE.
- 3) Discuss highlights from recent GAME Regional Conferences in India and Latin America
- 4) Identify global health trends and their impact on the delivery of relevant CE
- 5) Discuss international CE projects highlighting their outcomes and impact on the perspectives and actions of healthcare professionals.

REGISTRATION FEE

The registration fee for this one day GAME Regional Conference is as follows:

GAME Member	\$150	(until March 1, 2016)
	\$175	(after March 1, 2016)
Non-Member	\$200	(until March 1, 2016)
